

Print out this logo on a thick piece of paper and then cut along the dotted lines. Ask for parent permission when using scissors, exact-knives, or any other sharp objects when cutting this out.

You've got yourself a Bamboo Sk8 Stencil!

This stencil is great for griptape, helmets, or whatever else you want to add some flare to.

Warning: Bamboo Sk8 does not approve of vandalism. Before you use this stencil, make sure it is legal and okay for you to alter the appearance of the item you have in mind.
